Re: Altessa Municipal Utility District – November 3, 2020 Confirmation and Bond Election

Dear Ms. DeBeauvoir:

As you are aware, Altessa Municipal Utility District (the "District") is holding an election on November 3, 2020 concerning propositions for the District's confirmation, maintenance tax, and bond elections (together with a permanent directors election). On behalf of the District's Board of Directors and as required by Section 4.008 of the Texas Election Code, I have enclosed a copy of the order calling the above described elections ("Order Calling Election"), which serves as notice of said election. As you will note, Exhibits "A" and "B" to the Order Calling Election attach the current list of election day polling places and early voting locations, respectively, as provided by both Bastrop and Travis Counties. We understand that these remain subject to change by each county and that each county will advise us when final polling places and early voting locations have been determined. As you are likely aware, pursuant to House Bill 933 (2019 Legislative Session), Section 4.008(a) of the Texas Election Code now requires the County to post notice of the election, including the location of each polling place, on the County's Internet website.

Please print and execute 2 copies of the acknowledgment below as evidence of the District's compliance with Section 4.008 of the Election Code and return both originals to me at your convenience for the District's records. Please contact me with any questions or if I can be of further assistance. Thank you.

If you need anything further, please do not hesitate to contact me.

Very truly yours,

McCall, Parkhurst & Horton L.L.P.

Clayton C. Chandler
