Election Day clerks will **not** be compensated for set-up done before Election Day. Workers delivering supplies to the CRS are paid a flat fee. • All timesheets **MUST** be signed by Judges for all the Poll Worker team, and signed by the Poll Workers whose timesheet it is. **Lack of required signatures will delay payment!**

• It is your responsibility to complete timesheets accurately for prompt and correct payment. It is difficult for the elections office to correct mistakes after Election Day.
What is the pay rate for poll workers? Pay rates are $10 for clerks and $12 for Deputies/Judges and Alternate Deputies/Alternate Judges.

Who hires clerks to work on Election Day? The Texas Election Code states that the Judge shall hire the clerks. **Sec. 32.031** - Presiding Judge to appoint clerks. (a) The Presiding Judge for each election precinct shall appoint the election clerks to assist the Judge in the conduct of an election at the polling place served by the Judge.

Am I required to hire the number of clerks listed in my Writ Of Election? Yes, you must hire the number of clerks documented on your Writ of Election.

What if I’m having difficulty hiring clerks? Ask a friend, neighbor or person that you know from a social group or civic organization. If you’re still unable to recruit clerks, contact the Elections Call Center at 512-854-4783.

What if I don’t receive my check? Please allow 6-8 weeks for checks to be mailed. If you don’t receive your check by the 8th week after the end of the pay period, call the Elections Call Center at 512-854-4783. Pay periods are the 15th and last day of the month.

What if my check is wrong? If your check is incorrect, contact the Elections Call Center at 512-854-4783.

Who do I contact for tax questions, or to request a W-2? Contact the County Treasurer’s Office at 512-854-9365.
What if I cannot pick up supplies? (Election Day) Ask the Alternate Judge if they can pick up the supplies. Please make sure the Alternate Judge knows the precinct number of their polling location.

What if I haven’t received my Writ of Election? If you have not received your writ as it gets closer to Election Day, please contact the Elections Call Center at 512-854-4783.

Election workers scheduled to work at my polling site have not shown up. Contact the Elections Call Center immediately at 512-854-4783. We will arrange for assistance as soon as possible.

What time should I record on my Election Day timesheet if I’m delivering supplies to the Central Receiving Station? (Election Day) Record the time you left your polling place. The CRS Delivery Fee pays you for your drive time to the Central Receiving Station.

How much is the Central Receiving Station Delivery Fee? The CRS Delivery Fee payment is $12.50 per person delivering supplies to the CRS. Only two Judges per site may claim CRS Delivery Fee payment on their Election Day timesheets.

Will I be reimbursed for the use of my personal cell phone? No. The Travis County Elections Division issues a cell phone to every polling site for your use. Remember to charge the cell phone issued to you prior to arriving at your site, and make sure you are familiar with its use and function. Instructions are included with the cell phone.
STUDENT ELECTION CLERKS

High School students who are 16 years of age or older have the opportunity to participate in the electoral process by serving as Elections Clerks at the polling place during Early Voting and/or Election Day.

What are the Requirements for a Student Election Clerk?

• Be at least 16 years old on Election Day;
• Be enrolled in a public, private, or qualified home school;
• Be a U.S. citizen;
• The student must complete the Student Election Clerk Application.
• Have their parent or guardian sign the Parent/Legal Guardian Permission portion, and their school principal sign the School Principal Authorization portion.

If you would like to request a Student Election Clerk Application, please contact the Elections Call Center at 512-854-4783.
Must a county withhold social security tax from an election worker’s pay? Generally not. However, if the worker is employed through many elections during the tax year or works the entire early voting period for multiple elections, an Election Judge or clerk might earn enough to go over the threshold amount. The county is only required to withhold social security if the election worker pay exceeds the threshold amount. The Federal Insurance Contributions Act (FICA) tax exclusion for election officials and election workers is $1,800 a calendar year. If an election worker is paid $1,800 or more, FICA taxes begin from the first dollar paid.

May Election Judges and clerks claim unemployment benefits? Section 201.063(a)(1)(F) of the Texas Labor Code provides that an election official or worker is not considered an employee of a political subdivision for purposes of unemployment compensation if the remuneration received by the official during the calendar year is less than $1000. This legislative change from 2013 allows state law to track federal law. They may claim unemployment, but if the county responds to the chargeback letter from the Texas Workforce Commission in a timely manner, per the Secretary of State (SOS) primary administration manual, the county will likely receive a “benefits are not chargeable” determination: www.sos.state.tx.us/elections/forms/primaryfinance/pefmgcc.pdf. Note that the employee may always claim unemployment. The issue for the employer is the effect of that claim on its unemployment chargeback.
May an Election Judge or clerk decline their salary for the election? Yes, although the election worker may not direct how the waived salary will be used by the county. If the worker wishes the money that would have been used as pay to be used for a particular purpose, it would generally be better for them to accept the pay and donate it directly.

May an election worker be paid for work they completed prior to the polls opening on Election Day?
To an extent. A Judge or a clerk generally may not be paid for more than one hour of work prior to the opening of the polls. A Judge or clerk may be paid beyond that hour of work if the payment is for updating the precinct list of registered voters to integrate the registration correction list under Section 62.014 of the Texas Election Code.

Are Election Judges considered public officers?
Yes, per a recent Attorney General opinion, KP-140 (2017). Practically, this means the Judges (presiding and alternate) must take the constitutional oath of office under article XVI, section 1 of the Texas Constitution in front of an authority authorized to give the oath. At the county level, persons who may give the oath of office include: notary publics, a Judge, retired Judge or clerk of a municipal court, a Judge, retired Judge, senior Judge, clerk or commissioner of a court of record, a justice of the peace or clerk of a justice court, and the county treasurer. Counties have addressed this requirement in different ways. Some counties, for example, have someone present to issue the constitutional oath at the same time the judge picks up the supplies prior to Election Day. In addition to taking the constitutional oath, polling place officials must also complete the oath required under Election Code §62.003 before the polls open.
Is there a prohibition against an election worker having a candidate’s sign in their yard or otherwise expressing political opinions prior to their service at the polling place?
There is no prohibition against an election worker expressing their political opinions prior to service at the polling place. At the polling place, prior to the start of voting, the officials take an oath to not in any manner seek to persuade or induce a voter to vote for or against any candidate or measure.

May a Presiding Election Judge employ a relative to serve as a clerk at the polling place?
Not if the person is related to the Judge within the third degree by consanguinity or the second degree by affinity. Because the Election Judge is considered a public official, the nepotism prohibitions set out in Chapter 573 of the Government Code apply. For more information on nepotism, see our publication Pitfalls & Perils of Public Office. That said, there is no general prohibition in the Code against spouses or other relatives serving together at a polling place. For example, it would be permissible for a Judge to appoint a married couple not related to the Judge to serve as clerks at his or her polling place. It is also permissible for the Commissioners Court to appoint a related presiding Judge and Alternate Judge.

May an Election Day Judge or Clerk serve less than the full day? May they come and go on Election Day?
Travis County expects all Election Day Judges and Alternate Judges to serve the full day at the polling site.
EMERGENCIES IN THE POLLING PLACE

Medical Emergencies
Please call 9-1-1 if an election worker or voter needs immediate medical attention. Listen and execute instructions given by the 9-1-1 operator and First Responders. As soon as possible, please contact the Elections Call Center at 512-854-4783 to inform us that an emergency has occurred. It may be necessary for us to send a replacement election worker to the site and/or to complete an Incident Report. Please be as detailed as possible about the events surrounding the emergency so that we can properly respond.

Accidents in the Polling Place
If an accident occurs in the Polling Place, please inform the Elections Call Center immediately at 512-854-4783 EVEN IF NO ONE APPEARS TO BE HURT AND NO EQUIPMENT SEEMS TO BE BROKEN! It is very important that you document the incident on a Standard Affidavit.
