Motion by Judge Biscoe and seconded by Commissioner Sonleitner to authorize the County Attorney to present to the other side in this litigation the amount of \$25,000.00 per month, beginning February, payable until the full amount available, which we understand to be \$260,000.00, is exhausted, contingent upon the two individuals that have been named by our consultant, Herndon and Stauch, continuing to work with us on completion of the Gault Building claims, and any other matters covered by their contract with us.

A Clarification of the previous Motion was made by Commissioner Sonleitner that this is not just some \$25,000.00 in terms of, “we really like you guys”, this is really monies that they would be due as this work is now becoming ready to occur, so these are dollars that they would be entitled to under our contract, and this is metering out the monies that they have left, and matching it to the time line that we have on the Gault Building.

ITEM 21 CONTINUED

A further Clarification of the previous Motion was made by Judge Biscoe that this basically is for them to continue to provide services to us through the completion of the Gault Building, the claims, etc., until the money is exhausted, and with the understanding that this would be presented to the Federal Court in response to directions we were given, and connected with this is basically a continuance of the trial.
