ITEM A1 CONTINUED

Motion by Commissioner Sonleitner **and seconded by** Commissioner Davis to approve the new Staff Recommendation P – Additional Services. This gives us a new way of figuring out tournaments, and it would be a per field/per day, higher charge at our three Metro parks, assuming when East Metro Park comes on board; and again, these are tournament charges, and this eliminates that \$500.00 charge, and replaces it with a per field/per day charge; and the other things here are the same Staff Recommendations on lights and field prep, which would be an optional service that folks could do without lights, or do their own field prep.

A Clarification of the previous Motion was made by Commissioner Gómez that the per field on the tournament, is the \$40.00 at Del Valle and Webberville, but the \$75.00 per field/per day remains at the Northeast, Southeast, and East Metro Parks.

A Clarification of the previous Motion was made by Judge Biscoe that the rationale for the tournament/per day is that these are tournaments where the teams pay for entry, and we are thinking that there is additional required of us for tournament play.
