

**AMENDED ORDER OF THE TRAVIS COUNTY COMMISSIONERS COURT
ADOPTING NEW POLICIES, PROCEDURES AND REQUIREMENTS CONCERNING
THE WEARING OF FACE COVERINGS IN DESIGNATED
TRAVIS COUNTY FACILITIES**

INTRODUCTION

Travis County is committed to providing safe facilities and worksites to ensure the health, safety, and welfare of its employees, customers, clients and visitors when accessing County facilities for the purpose of receiving services. Travis County adopts the guidelines and recommendations of the Centers for Disease Control and Prevention and the Austin-Travis County Health Authority that the wearing of face coverings is necessary to protect public health and safety, and to slow the spread of COVID-19. The below findings and Order are made to adopt a policy and establish guidelines and procedures for requiring Travis County employees and members of the public to wear a face covering when entering into or inside a designated Travis County facility or building.

RECITALS

Whereas, on March 6, 2020, a Declaration of Local Disaster was issued by the Travis County Judge to allow the County of Travis (“County” or “Travis County”), Texas to take measures to reduce the possibility of exposure to COVID-19 and promote the health and safety of Travis County residents; and

Whereas, on March 13, 2020, a Declaration of State of Disaster was issued by Governor Greg Abbott to take additional steps to prepare for, respond to, and mitigate the spread of COVID-19 to protect the health and welfare of Texans; and

Whereas, the virus that causes COVID-19 is contagious and spreads through person-to-person contact, especially in group settings; and

Whereas, COVID-19 continues to menace the health of County residents and with the presence of the Delta variant, a highly transmissible and more contagious variation of COVID-19, Dr. Desmar Walkes, the Austin-Travis County Health Authority has implored individuals to wear face coverings to prevent further transmission of COVID-19; and

Whereas, cases and hospitalizations continue to increase in Travis County as new variants, such as the Delta variant, spread throughout the community and Austin Public Health and the Local Health Authority recommend that individuals take additional precautions such as wearing a face covering even if vaccinated, as set forth in the COVID-19 Risk-Based Charts for vaccinated and unvaccinated/partially vaccinated individuals attached as **Exhibit A**; and

Whereas, reliable medical information indicates that even individuals who have received a COVID-19 vaccine are capable of contracting and spreading the current Delta variant of the virus; and

Whereas, the Centers for Disease Control and Prevention (“CDC”), along with the Austin-Travis County Health authority recommends the covering of a person’s nose and mouth when outside the home or residence in order to help slow the further spread of COVID-19, even if vaccinated as set forth in **Exhibit A**; and

Whereas, In accordance with the *Supreme Court of Texas, Fortieth Emergency Order Regarding COVID-19 State of Disaster (Miscellaneous Docket No. 21-9079)*, the Local Administrative District Judge (LADJ) for Travis County has adopted minimum standard health protocols for court participants and the public attending court proceedings, including a requirement that in all courtrooms and throughout all public areas of the applicable court buildings individuals must wear a face covering over the nose and mouth, social distance, or both; and

Whereas, the Office of Court Administration has stated that that the Governor’s Executive Order “does not alter the Supreme Court’s current emergency order, the ability of a judge to control his or her courtroom, or requirements for those entering a court building who will be attending a court proceeding.” “Courts may take any reasonable action to avoid exposing court proceedings to the threat of COVID-19, including requiring compliance with social distancing protocols and face coverings worn over the nose and mouth.” Individuals are required to follow the protocols issues by the Courts (“judicial order”); and

Whereas, Travis County is committed to providing safe facilities and worksites to ensure the health, safety, and welfare of its employees, customers, clients and visitors when accessing County facilities for the purpose of receiving services, and following the guidelines and recommendations of the CDC and the Austin-Travis County Health Authority regarding the wearing of face coverings is necessary to protect public health and safety, and to slow the spread of COVID-19; and

Whereas, on August 11, 2021 and as amended on August 13, 2021, the County Judge issued Order No. 2021-09a requiring the wearing of face coverings in designated Travis County Facilities pursuant to his authority under Government Code section 418.108(g), and a determination that extraordinary emergency measures must be taken to try and mitigate the effects of this public health emergency and to facilitate a response in order to protect the health and safety of the community; and

Whereas, on August 17, 2021, the Travis County Commissioners Court approved and Order adopting new policies, procedures and guidelines concerning the requirement to wear a face covering in designated County facilities as specified in Exhibit B to that Order, and this Amended Order is necessary to update the facilities list and add additional locations; and

Whereas, this Order is necessary to protect the public health and welfare of individuals who visit, access or work in Travis County facilities and buildings and to help control further transmission of COVID-19.

NOW, THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF TRAVIS COUNTY, TEXAS, THAT:

1. The recitals set out above are true and correct, and are incorporated in and made a part of this Order for all purposes and adopted by the Commissioners Court.
2. All employees entering into or present within a Travis County building, facility or location designated in **Exhibit B** (“County Facility”) as revised by this Order, are required to wear a face covering, except as specifically noted in this Order.
3. All visitors and customers, including members of the public and invitees over the age of two (2) (collectively referred to as “Customers”), entering into or present within a Travis County building, facility or location designated in **Exhibit B** (County Facility), are required to wear a face covering, except as specifically noted in this Order.
4. For Customers who do not have a face covering when entering into or visiting a designated County Facility, face covering will be provided by County.
5. For Customers who do not wish to wear a face covering when entering into or visiting a designated County Facility and who do not qualify under any of the Exceptions listed in this Order, will not be permitted to enter a designated County Facility or will be asked to leave the premises if entering without a face covering, and may be refused on-site services. County will offer alternative means to obtain the services that do not require physical entry, such as by telephone or on-line.
6. Even with the use of appropriate face coverings, Customers should maintain a distance of six (6) feet from others as social distancing whenever possible.
7. Exceptions to the Requirement of Wearing a Face Covering:
 - a. If a Customer or employee has a medical condition and the Customer or employee will be compromised by wearing a covering over their nose and mouth, or the wearing of a face covering poses a greater risk to their physical health, such as anyone who has trouble breathing, or anyone who is unconscious, incapacitated, or otherwise unable to remove the face cover without assistance, alternative arrangements regarding an employee can be discussed with a supervisor and for accessing the service by Customers falling under this Exception, alternative arrangements will be made, such as by telephone or on-line, or other methods as determined by the individual County department or office.
 - b. An employee is alone in an individual office space.
8. A designated County Facility does not include any Travis County correctional facility, such as the Travis County Jail, Central Booking or Travis County Correctional Complex or a juvenile detention facility. Rules will be promulgated by the appropriate authority, such as the Travis County Sheriff or Chief Juvenile Probation Officer.

9. Any Travis County courthouse complex or courtroom is subject to the rules mandated by the Texas Supreme Court, Office of Court Administration and Operating Plans of the Travis County Judiciary, including criminal courts, civil courts and justice of the peace courts. Any County Facility that is cohabitated by court facilities and courtrooms along with other County offices must follow the requirements set forth in this Order for those areas outside a courtroom or subject to a judicial order.

10. **Notices.** The Travis County Facilities Management Department shall post notices on all County Facilities designated in Exhibit A, that will provide notice to address the following:

- i. Avoid entering a County Facility if you have a cough or fever;
- ii. The requirement of wearing a Face Covering before entry to a County Facility;
- iii. Avoid shaking hands or engaging in unnecessary physical contact.

11. It is further recommended that:

- a. Individuals get vaccinated and encourage others to get vaccinated. This will help us reach herd immunity to benefit our entire community.

12. Further, the Trespass Policy set forth below in section 13 is adopted by this Order.

13. **TRESPASS POLICY FOR REFUSAL TO LEAVE A DESIGNATED TRAVIS COUNTY FACILITY, AND PENALTIES AFTER NOTICE TO WEAR FACE COVERING, BE ADOPTED BY THIS ORDER:**

a. **Purpose.** Travis County is committed to providing safe facilities and worksites to ensure the health, safety, and welfare of its employees and its Customers when they are accessing County Facilities for the purpose of receiving services. The requirement of face coverings is necessary to protect public health and safety, and to slow the spread of COVID-19. Therefore, in consideration of the ongoing public health emergency involving COVID-19, all Customers entering into or inside a designated Travis County building or facility listed in **Exhibit B** are required to wear a face covering, unless the person qualifies for an Exception in this Order. Should a person enter into or remain in a designated County Facility without a face covering and refuse to leave after being told by County staff to leave the facility premises, such person may be issued a Criminal Trespass Notice.

b. **Role of Travis County Staff.** Any Travis County staff member shall have the authority to issue a Criminal Trespass Notice ("Trespass Notice"). Travis County will enforce this policy in a fair, consistent and impartial manner.

c. **Enforcement and Penalties.** It is the policy of Travis County that failure to abide by this Order may result in removal from County facilities and prosecution under applicable law. County facilities and buildings are designated in Exhibit B.

ADOPTED AND APPROVED THIS THE _____ DAY OF AUGUST, 2021.

Andy Brown, Travis County Judge

Jeffrey W. Travillion
