**Order Regarding Changes in Court Proceedings
in Response to COVID-19 Emergency**

On this date, the Travis County Probate Court enters this order regarding the change in court proceedings in response to the COVID-19 emergency

The Court finds that temporary changes are necessary in its handling of court proceedings in an effort to comply with the recommendations of the Office of Court Administration as well as the disaster declarations issued by Travis County and Governor Greg Abbott. The Court further finds that the safety and well-being of attorneys, clients, court and clerk staff, and the public is of paramount importance to Court. The Court finds that it is in the best interest of public safety that the following changes to the handling of court proceedings are implemented until further notice in an attempt to minimize the risk of exposure to COVID-19

- 1 If a lawyer or witness is sick, please do not come to the court. Please contact the court to reschedule the hearing unless the hearing can be done telephonically
- 2 All jury trials shall be continued until further notice
- 3 In order to reduce the number of people appearing in the courtroom, the Court will hold hearings telephonically whenever possible
- 4 Will prove ups and certain contested hearings are not suitable to be heard telephonically and will be done in person
- 5 The uncontested probate and guardianship dockets will continue on Tuesdays and Thursdays, but they will be spread out over the course of the entire day in 30 minute intervals

- 6 For any in-person hearings, please limit the persons appearing to those who are required to be there. Please do not bring non-testifying family members or people who are there for emotional support of a party or witness.
7. All Court sponsored CLE presentations are postponed until further notice
