Travis County's First "I Voted" Sticker Design Contest Winners!

AUSTIN – Congratulations to Ashwara Pillai, a Junior attending the University of Texas at Austin, for winning Travis County's first "I Voted" Sticker Contest! In second place is Meredith Bowden, a Senior attending the University of Texas at Austin. Third place goes to Sebastian Trevino, a Sophomore attending the University of Texas at Austin.

The first place design will make its debut during the November 2022 election period. Thank you to our judges, Dawn Okoro, multidisciplinary artist; Jose Luigi, Education Associate at the Mexic-Arte Museum; and Laura Odegaard, Cultural Investment Program Manager with the City of Austin's Economic Development Department.

This was the county's first "I Voted" sticker design contest. The contest was open to all students attending college in Travis County to design a new "I Voted" sticker that included the phrase "I Voted" and contained the theme of voting and elections in the State of Texas or Travis County. Judges picked the winning stickers based on the theme, uniqueness of the design, and artistry.

The sticker will be distributed to voters at all Early Voting and Election Day locations for the November 8, 2022 election.

“The Travis County Elections Department was excited to engage college students in the electoral process. Thank you to every student who submitted a design. We look forward to continuing engagement and holding another contest in the future.”

All three winners will be honored on Tuesday, May 10, 2022 in Commissioners Court.

The winning designs, along with other submitted sticker designs, can be viewed at <https://countyclerk.traviscountytexas.gov/departments/elections/2022-i-voted-sticker-contest/2022-i-voted-sticker-winners/>.
